

Student Clubs

studentclubs@pydah.co.in

Students can form clubs of their interest like music,dance,sports and what not they can also invite their fellow students to join their club and discuss on their interest and get updated and improvised in their interest.They can name their club, have a meeting monthly once and exchange their views and stay inspired and motivated. This is to encourage students in extracurricular activities to refine your leadership and organizational management experience, explore interests and make friendship that will last a lifetime and make campus life fun.

They are truly for the students and by the students. For developments in career interests,goals and personal hobbies you can be part of the either professional clubs or in the Social Clubs.

Professional Clubs:

To engage with the professional activities and to be up to date with the new technology & science you can take part in the professional clubs.

Example : IEEE

Social Clubs:

To shape personal interests and hobbies, you can engage in one of the many social clubs here.

- Arts & Creativity Club
- Dance Club
- Music Club
- Photography Club
- Quiz Club
- Sports Club

Our student clubs are an integral part of the Pydah community. Clubs can conduct events,display and enhance their talents.The clubs give you the chance to apply classroom learning to the outside world. In addition to connecting you with fellow students who have similar interests, clubs are a platform for students to interact with alumni and professionals in their fields of interest. This helps you to build formal and informal networks while exploring career opportunities.

You can find a student club that fits your interest and get involved in the Pydah community or you can start a club if that club doesn't exist. Here are many ways to refine your leadership & organizational experience, explore interest and make friendships that will last a lifetime.

GET CONNECTED, GET INVOLVED

Steps to Follow to start an New Student clubs

Please complete this application to start a new Student Club. Please note: After completing the application, you must also complete the Organization Information Form (OIF) found on our website.Once our office has received all materials needed to begin the process, we will contact the Club Team Lead and advisor with the next step.

A group of 10 or more full-time students wishing to form an club and seek official status from the College by obtaining a charter may do so, provided the following requirements are met:

1. The group does not duplicate an existing Club.
2. The purpose is to ensure continuity and stability of the Club
3. The Club must have an advisor who is a full-time faculty member.
