"It's our newsletter"

About the Newsletter

The Newsletter "WE" - is primarily an internal publication which aims to inform, entertain and help staff and students feel connected with the College. It tries to keep staff and students informed about new developments as well as it creates interest and inspiration to boost their potentiality on seeing what people are doing at all levels across the group of institution.

Your ideas and contributions

The Newsletter is essentially your publication. We therefore particularly welcome any comments on the content and also suggestions for the coverage.

Articles about personal and departmental accomplishments, awards and honors column, sports, academics, campus updates, new technologies are also encouraged. Please email to newsletter@pydah.co.in or you can drop your information in any of the feedback boxes available in the campus by mentioning about your details and attach your photo to your article.

Getting your copy

Every student and staff will receive a soft copy on the release date of the issue to their college email id's and the printed copies will be available at the concerned libraries for reference purpose.

When It will be released

This is a Bi-Monthly newsletter and the first issue will be released on July 31'st and the content for publishing in the newsletter will be accepted till 10 days before the issue date. In an calendar year six issues will be published i.e, in the months of JULY, SEP, NOV, JAN, MAR, MAY

We hope you will join hand and extend your valuable support with us by contributing good contents and comments so as to make our newsletters informative, interesting and thought provoking!
