## Policy Document For Disabled Persons

The Government of India formulated the national policy for persons with disabilities in February 2006 which deals with the educational rehabilitation of persons with disabilities, therefore because of this Pydah College of Pharmacy has implemented these policies in the teaching and learning process. The PYDAHCOP's policy recognizes that persons with disabilities are a valuable human resource for the institution and seeks to create an environment that provides equal opportunities, protection of their rights, and full participation in the academic environment.

The focus of the policy is on the following:

To ensure that the design of the building such as ramp/lift should be according to the disabled persons.

To ensure the accessible, gender-sensitive, safe, usable, and functional washroom facilities should be provided for disabled persons.

The use of signage of male and female symbols, following local customs and standards, with raised outline and bright color contrast, will be more evident to everyone and particularly helpful for persons with visual impairments.

Learners with disabilities need to be adequately and appropriately supported in and out of the classroom with the right resources and assistive technology, and with leadership, teaching staff, and college communities that are responsive to their needs.

### **Exam policy:**

Based on the need of the student PYDAHCOP will make reasonable changes in the educational plan and assessment framework to meet the particular needs of students with disabilities. Sensible convenience will be made to meet the necessities of the considerable number of students with disabilities. The guidelines and regulations have been issued by the examination department for the use of scribes in exams.

From 2007 to till the date not only joined disabled students in PYDAHCOP, in case anyone allotted seat in PYDAHCOP we promising to provide following facilities.
