3. BAN ON USE OF PLASTIC

Single-use plastic items such as plastic bottles, bags, spoons, straws and cups are banned completely and awareness is created among staff and students through orientation and display boards in the premises. To restrict the use of plastic, measures have been taken to replace plastic tea cups and glasses with steel glasses in the canteen. The staff and students are informed to use steel or copper water bottles instead of plastic bottles. The institution also conducted "UnnathaBharathaAbhiyan activities on the Ban on use of plastics and created awareness to the faculties the localities in and around the campus.

Education & Beyond

Our Institution is one of the participating Institutions (PI) under Unnat Bharat Abhiyan (UBA). UBA emphasized on the implementation of 'plastic free Campaign' in the adopted villages.

Students and faculty members explained the ill effects of plastics and recommended not to use plastics. Instead of plastics, reusable bags can be used which saves the environment and animals. School children and the people of the villages responded and assured that they will say no to plastics and also welcomed the initiative. Students also collected the plastics from houses and surrounding areas. The campaign was successful in imparting "SWATCH BHARATH" AND "Say no to Plastics"

4. LANDSCAPING WITH TREES AND PLANTS

Landscaping of the college is worth seeing and reflects aesthetic sense. The institute has a canopy of trees and plants to make the environment pollution free to safeguard the health of all the inmates. The lawns and the trees provide shade and beautiful ambience. Utmost care is taken to develop and maintain green landscaping by trained gardeners and supervisor. The construction, maintenance people in the college look after the development and maintenance of the greenery in the campus. The institute authorities are taking initiatives to make the campus paperless. Internal communication in the campus, through e-mail or e-messages, is driving towards paperless office, information for the students. Electronic gadgets are preferred to transfer and store their official data and information.
