"INTRODUCTION TO IPR AND ITS IMPORTANCE"

Programme schedule

20.11.2020

Organized by :

Education & Beyond

PYDAH COLLEGE OF PHARMACY

(Approved by PCI, AICTE and Affiliated to Andhra University, VSKP)
Kakinada-Yanam Road, PATAVALA, Kakianda-533461, E.G. Dist, A.P.

Venue : Seminar Hall :

PYDAH COLLEGE OF PHARMACY

(Approved by PCI, AICTE and Affiliated to Andhra University, VSKP)
Kakinada-Yanam Road, PATAVALA, Kakinada-533461, E.G. Dist, A.P.

About College :

Pydah College of Pharmacy is yet another Jewel in the Crown of Pydah Educational Group and it was established in 2007. The Institute came into existence to extend the rich experience of Pydah group in education to the field of Professional Education. The Basic Objective in the establishment of "Pydah College of Pharmacy", Kakinada is to nurture "A Promising Agency of Technological & Innovative Development"

Courses Offered:

- B.Pharmacy - 4 Years
- M Pharmacy
- Pharmaceutical Analysis & Q.A
- Pharmaceutical Analysis & Q.C
- Pharmaceutics

Objective of the Programme :

The objective of this introduction to program Intellectual Property Rights (IPR) is to provide a comprehensive overview of the concept of IPR, its significance in today's globalized economy and its role in promoting innovation and creativity. This introduction aims to familiarize readers with the fundamental principles of IPR and highlight their importance in protecting various forms of intellectual property.

Outcome of the Programme :

By understanding and acknowledging the importance of IPR, individuals, businesses and societies can create an environment that fosters innovation, creativity and sustainable development while ensuring fair recognition and protection of intellectual property rights.

Topics of the Programme :

- ☆ Definition of Intellectual Property
- ☆ Importance of Intellectual Property Rights
- ☆ Types of Intellectual Property Rights
- ☆ Benefits of Intellectual Property Protection
- ☆ Challenges and Controversies

Education & Beyond

Date: 19.12.2020

Program Report

Name of the Event:	A Reasearch on Profile of Antibiotic use at Health Centre.
Resource Person	Mr. D. Appalaraju, Associate Professor, Koringa College of Pharmacy, Korangi.
Date of Activity	18.12.2020
Organized By:	Pydah College of Pharmacy
Venue:	Pydah College of Pharmacy

Objective of the Program:

The objective of creating a profile of antibiotic use at a health care centre is to gather and analyze data related to the prescribing and utilization patterns of antibiotics within the facility. This profile provides valuable insights into the usage, effectiveness and appropriateness of antibiotic treatments, which can aid in optimizing patient care and combating antibiotic resistance.

Topic covered:

- ✓ Monitoring antibiotic utilization
- ✓ Assessing appropriateness of antibiotic prescriptions
- ✓ Identifying potential overuse or misuse of antibiotics
- ✓ Monitoring antibiotic resistance
- ✓ Facilitating quality improvement initiatives
- ✓ Supporting public health reporting and surveillance

Program Coordinator

Outcome of Program:

- By promoting adherence to evidence-based guidelines and appropriate antibiotic use, healthcare professionals can enhance patient care, reduce the risk of adverse effects and prevent the emergence of antibiotic resistance.
- The profile data allows for the monitoring of antibiotic resistance patterns within the health centre.
- By addressing these issues, healthcare professionals can enhance patient safety, minimize unnecessary drug exposure and mitigate the risk of adverse effects associated with antibiotic use.
- Optimized antibiotics use can lead to improved patient outcomes, including faster resolution of infections, reduced hospital stays and decreased rate of treatment failure or relapse.

Students and faculties have participated in workshop on **A Research on Profile of Antibiotic use at Health Centre** on 18-12-2020.
