Alternative Offers

Please note that admissions onto our courses are subject to you fulfilling our minimum entry requirements. If we assess your application and qualification(s) (with you providing a portfolio, undergoing a faculty interview where required) for a particular course, we may have offered you an alternative course that is more suitable to you based on your qualifications and skill set. Please note, alternative courses offered may take place at one of our other campuses. Please read the offer details above very carefully.

MDes or MEng Programmes are over four years with the possibility of doing an Industry Enhancement year. This is reflected within the exit titles associated with the four-year courses, either Sandwich BA/BEng (Hons) qualification or an integrated Masters course with an MDes/MEng qualification. The Integrated Masters route is designed for high achieving students to continue their studies and to develop advanced technical skills; as such, achievement attained during level 2 is used to determine suitability for progression. Additionally, a three year BA (Hons) degree is available for those wishing to omit the Industry Enhancement year. We would only issue an offer and CAS for a standard 3 year or 4 year BA/BSc Degree and not for an integrated masters.

If you opt to extend the length of your course after your visa has been granted and this extension does not involve an Industrial placement, you will be required to return to your home country in order to extend your student visa. You will be responsible for covering all additional costs associated with this including visa applications and return travel.

Applying for an ATAS Certificate (if required)

If any of your subjects are listed in the attached ATAS list, you must apply and obtain an ATAS certificate (issued by the Academic Technology Approval Scheme), before you apply for or extend your Visa, Entry Clearance, or Extension of Stay. If your course is not listed, it MAY STILL require ATAS, so please ensure you check the Home Office website for updates. Please visit <https://www.gov.uk/guidance/academic-technology-approval-scheme> to apply online for your ATAS certificate if required and obtain more information on the scheme.

If an ATAS certificate is required, you will not be granted access to your learning materials or be permitted to enrol onto your course until you provide a relevant ATAS certificate to the University.
