Minutes of IQAC Meeting in the Academic Year 2022-23

Date: 7/02/23

Name of the Stakeholder: Student

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities, IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Students' feedback above 90% is considered positive feedback and below that is negative feedback and we are working for the environment.

S.No	Question	Feedback /Concern	Percentage Consensus	Action to be Taken
1	Campus Maintenance	Very Good	99	To retain the same production, we shall continue to exercise the same rigour.
2	ICT facilities	Very Good	98	By taking the suggestions into account, our procedure will become more effective.
3	Canteen facilities	Very Good	95	We will continue the same rigor to increase the output
4	Do the girls feel secure on the campus	Excellent	100	We will continue the same rigor to increase the output
5	Drinking water facility	Excellent	100	We will continue the same rigor to increase the output
6	Washroom Cleanliness and Maintenance	Very Good	95	We value your comments. We'll increase process awareness and move quickly to take action.
7	Sports facilities	Very Good	97	By taking into account the concerns of the students, we will try to improve the process and take appropriate action.
8	Transportation provided by the college adequate	Very Good	95	By taking into account the concerns of the students, we will try to improve the process and take appropriate action.
9	Were the laboratories/workshops adequately equipped and properly maintained	Good	94	We will work towards the process more effectively by considering the student grievances and action will be taken

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities, IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Parent feedback above 90% is considered positive feedback and below that is negative feedback and we are working for the environment.
